VIRTUALLY THE SMARTEST CRYPTO COMPANY IN THE WORLD

BY THE WAY
WE

KNOW
AND WE ARE PREPARED

'We recognise that not only the crypto market but the entire global economy is feeling an economic pullback. This looks likely to continue for some time mainly driven by the ripple effects of covid, inflation and war in Ukraine. However, when the global and crypto markets turn around we are likely to see higher highs in the crypto market which bodes well for the mid to long term success of ETHAX.' Dan Da Rosa CEO
